

# Circle Time

**At the start of our school day, I need to sit on the floor in a circle.**

**My teacher will talk to us me and my class during this time.**

**My teacher might read out names and tell me messages during circle time.**

**I can hold something during this time but I need to ask for it before circle time starts.**

**I can fidget with a toy to help me sit during circle time.**

**Circle time is important because the teacher finds out who is at school that day.**

**The teacher also gives us messages.**

**I can sit on my sport during circle time, and I can play with my fidget toy if I need to.**

**I can listen during circle time.**
