

Keeping My Clothes On

I put on clothes in the morning so that I can go outside and enjoy my day.

Clothes cover my body and can protect me from the cold weather on cold days and the sun on warm days.

I need to keep my clothes on during the day.

I can take my clothes off at the end of the day when I am ready for my bath or shower or to put on my pyjamas.

I can keep my clothes on during the day.
